- Thursday, March 19 3:00 PM EST
- Thursday, April 2 3:00 PM EST
- Thursday, April 16 3:00 PM EST

**NOTES:**
1. Authoring Period is February 10 to April 17, 2020.
2. Each group allows for two weeks of authoring. This is a suggested authoring schedule for newly released conditions. Jurisdictions may author available conditions at their own pace at any time including within this authoring period.
3. Content Review and Change Request Period: Open until March 30
4. Parkinson's Note: Only states where health care providers are required to report cases of Parkinson’s disease (diagnosis or treatment) may only be interested in authoring reporting rules in RCKMS.

**March 30**
Last day to submit content feedback for consideration in the next Content Release

**April 4-17**
Can be used to catch up with authoring any condition.
